We are in need of a webmaster and a simpler communication system in the future. Garry will follow up with Michael Stom and Mark Bretting to plan the next step. We need to remove past officers from the website and take the list of member's emergency contacts off the internet. We will advise ride leaders to add the updated list of emergency contacts to their phones.

Terri will update our Possible Rides spreadsheet and pass it along to Melissa to be attached to our membership meeting notice.

In the absence of a president, the board will team up and cover the duties. Talking to individuals about taking on a two-year term as president is essential.
