In 2022 we had a negative income of \$135.13.

We planned the Membership Meeting for Thursday, May 4th, 2023 at 5:00 pm – 7:00 pm at Loveland Library. We will be in the Gertrude Scott room on the main floor. You can bring your own salads, sandwiches or take-out meal. Beverages are allowed, but no alcohol. Bring your planning calendars and dates you can commit to lead a ride. We will provide a list of rides we have done in the past.

Generally Tuesdays, Thursdays, and Saturdays are the best options, but nothing is “off-the-table”.

Social events, such as a 4th of July ride and picnic will be discussed. We have some incredibly devoted and creative members, so suggest ideas which inspire you.

The Library closes at 7 pm, so we must wrap-up discussions up by 6:50 pm.

FEEL Free to bring cyclists who are new to our club and want to explore their options. In the meantime, keep cranking.
